

# Purifying mask for mature skins

**Anti-aging brightening mask with purifying** properties. Thanks to a pool of effective active ingredients, it is able to visibly even and brighten the complexion, while normalizing sebum production and deeply purifying the skin, making it perfectly recommended for greasy or acne-prone mature skins.

Ingredients	Phase	%
Water	A	To 100
Panthenol, Glycerin		0.50
Disodium EDTA		0.10
Allantoin		0.10
Hydroxyacetophenone		0.50
Xanthan Gum	A'	0.30
Magnesium Aluminum Silicate		0.30
<b>Supreme (Polyglyceryl-3 Rice Branate, Cetearyl Alcohol, Sucrose Stearate)</b>	B	5.00
Prunus Amigdalus Dulcis Oil		6.00
Cetearyl Isononanoate		3.00
Isononil Isonanoate		4.00
Butyrospermum Parkii (Shea) Butter		0.50
Lecithin, Tocopherol, Ascorbyl Palmitate, Citric Acid		0.05
Tocopheryl Acetate		0.10
Kaolin	C	8.00
Phenoxyethanol (and) Ethylhexylglycerin	D	0.70
<b>AZELOGLICINA® (Potassium Azeloyl Diglycinate)</b>		5.00
Propylene Glycol, Aqua, Arctium lappa root Extract		1.00
<b>Tiolisina® Complex 30 (Lysine Carboxymethyl Cysteinate, Lysine Thiazolidine Carboxylate)</b>		2.00
Parfume		0.20

Characteristics	
Aspect	Consistent emulsion
Color	Ivory / beige
Odor	Characteristic
pH	6.0 – 6.5
Brookfield Viscosity S6 RPM 50	8.800 mPa·s

## Method

Heat phase A at 70°C, then disperse A' under fast stirring. Heat phase B at 70°C, until complete dispersion; then add B to A, under fast stirring. When the emulsion takes place, add C. Cool down to 30°C, then add D, stirring after every component.
